Selmon Expressway Pressure Washing Continues Part of the Expressway Closed

Tampa, March 28, 2017 – The Tampa Hillsborough Expressway Authority will continue pressure washing the Reversible Express Lanes (REL) every evening for approximately the next four weeks from 8:00 p.m. to 5:00 a.m. However, a new section of the Expressway will be closed.

Eastbound vehicles will be directed off the Selmon Expressway at 50th Street to Adamo Drive and back on to the Expressway at US 301.

Westbound vehicles will be directed off the Selmon Expressway at 301 to Adamo Drive and back on to the Expressway at 50th Street.

Both eastbound and westbound tolls at 50th Street will be suspended during this closure.

Closure will be timed as to not affect eastbound traffic after Amelia Arena Lightning games.

For more information, call 813.272.6740 or email info@tampa-xway.com.
