

Tampa Hillsborough Expressway Authority

MILEstones

Tampa Hillsborough Expressway Authority (THEA) owns and operates roadways that are vital to Tampa's transportation infrastructure, including the Lee Roy Selmon Expressway.

100% of THEA toll revenue
is invested locally

THEA has generated
\$1.2 billion
in local economic activity

Using the Selmon Expressway
reduces annual CO₂ emissions by 58,000 tons

Using the Selmon Expressway
saves \$16.2 million
annually in fuel and vehicle costs,
\$90 million in accident costs and
\$142 million in travel time and out-of-pocket costs
