BRIDGE AESTHETIC LIGHTING CONCEPTS FOR THE REVERSIBLE EXPRESS LANES (REL)

Date: **September 14, 2017**
Time: 10:30 a.m. to 11:30 a.m.
Location: Transportation Management Center, Board Room, 1st floor
1104 East Twiggs Street
Tampa, Florida 33602

About

The Tampa-Hillsborough Expressway Authority (THEA) is hosting an industry forum for the Bridge Aesthetic Lighting concepts and plans for the Selmon Expressway to replace pier lighting on the Selmon REL. THEA is looking for low maintenance innovative lighting concepts while simultaneously providing a constructible design that minimizes impacts to the traveling public during construction. The concepts of lighting the Selmon REL piers and/or substructure should enhance the architectural impact of the bridge at night. THEA will present an overview, project goals, requirements and anticipated schedule.

RSVP

Please RSVP to Man.Le@tampa-xway.com.

THEA encourages the use of registered or certified SBE firms to the greatest extent possible and requires nondiscrimination on the basis of race, color, sex and national origin in its employment and contracting practices.

Questions concerning this event should be directed to Man Le, THEA Procurement Manager at Man.Le@tampa-xway.com.
