

# Driving Innovation Enhancing Communities

## The Tampa Hillsborough Expressway Authority

The Tampa Hillsborough Expressway Authority (THEA) is a dynamic agency of the state that owns, maintains, and operates the Selmon Expressway, Meridian Avenue, Brandon Parkway, and Selmon Greenway.

We are committed to bringing the best technology and most innovative mobility solutions to address emerging transportation challenges.

### Our Mission

To provide safe, reliable, and community-oriented mobility solutions to the Tampa Bay region, while reinvesting customer-based revenues back into community to improve the quality of life.

### Our Vision

A prosperous and more connected Tampa Bay enhanced by safe, reliable, and community-focused mobility solutions for all.

**100% Community  
Reinvestment**

**200,000  
Daily Travelers**

**58M Transactions  
per Year**

**Serving Tampa Bay  
since 1963**

THEA processes 58 million transactions and serves almost 2 million customers annually, with an investment plan to deliver over \$1.2 billion in capital improvements to the community over the next 10 years.

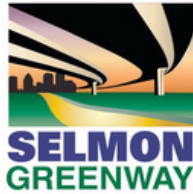

As a community champion, we spearhead public-private partnerships for multi-modal transportation, promote transit-oriented development, and invest in walk/bike-friendly neighborhoods.

All upcoming and current projects are funded 100% through THEA's toll and bond revenues, ensuring that finite taxpayer dollars are reserved for other transportation and community needs.

# Driving Innovation Enhancing Communities

## Our Facilities

## Our Projects
