AMENDMENT

PHASE 2 - TECHNICAL PROPOSALS; Pages 19 & 20:

Correction: Revised Technical Proposal Submittal to include Minimal Plans

1. TECHNICAL PROPOSAL SUBMITTAL PROCEDURE

The Technical Proposal shall be limited to the information, paper size, and page limitation requirements as listed herein.

The Technical Proposal shall be submitted using FDOT Form 700-010-21 Low Bid Design-Build Technical Proposal (included as an Attachment Document).

The maximum number of pages shall be 2, single-sided, typed pages including text, graphics, tables, charts, and photographs. Double-sided 8½" x 11" sheets will be counted as 2 pages. Larger sheets are prohibited. **Also to be included in the Technical Proposal (not counted in the 2 page limit) are the 60% Minimal Plans (Plan Sheets, Typical Sections Sheets, Pavement Markings Sheets and TTCP Sheets) .**

The Technical Proposal shall only be submitted via electronic mail, in PDF format including bookmarks for each section and OCR'd. Bookmarks which provide links to content within the Technical Proposal are allowed. Bookmarks which provide links to information not included within the content of the Technical Proposal shall not be utilized. No macros will be allowed. Font size of ten (10) must be used. Times New Roman is the required font type. The Technical Proposal must be received by the Authority via e-mail or on or before the time and at the exact place provided for in this RFP.

The Technical Proposal shall be delivered to:

Tampa-Hillsborough County Expressway Authority
Procurement Office
ATTN: PROCURMENT, Shannon Bush, Contracts and Procurement Manager
Email: Procurement@tampa-xway.com

The package shall indicate clearly that it is the Technical Proposal and shall clearly identify the Proposer's name, contact number, Project number, and Project description. Technical Proposals received after that time will not be considered. Technical Proposals transmitted by facsimile are non-responsive and will not be considered.

2. TECHNICAL PROPOSAL – MINIMUM INFORMATION REQUIRED

The minimum information to be included in the Technical Proposals is as follows:

Section 1: Written Technical Proposal

- **Approach and Understanding of the Project:** The Proposer shall present a plan for completing the specified work. The plan should address all significant design and construction issues and constraints and should demonstrate efficient use of manpower, materials, equipment, construction schemes, temporary traffic control and techniques for completing the project. Coordination with the Authority shall also be discussed in this section.

- **Staffing:**
 - Contractor Name & Applicable Prequalification Work Classes:
 - Construction Project Manager:
 - Construction Superintendent:
 - Consulting Engineer Name and Applicable Prequalified Work Types:
 - Subconsultant Name(s) and Applicable Prequalified Work Types:
 - Design Project Manager:
 - Design Engineer of Record:
 - MOT Certified Designer:
 - Specification Package Technician

- **Responsible Office:**

Design-Build Firms being considered for this Project may have more than one office location. The office assigned responsibility for the work shall be identified in the Technical Proposal. If different elements of the work will be done at different locations, those locations shall be listed.

Section 2: Written Technical Proposal

- **Minimal Plans:**
 - **Plan Sheets**
 - **Typical Section Sheets**
 - **Pavement Markings Sheets**
 - **TTCP Sheets**

The Proposer shall not discuss or reveal elements of the Price Proposal in the written Technical Proposal.
