

AMENDED NOTICE OF INTENDED DECISION

Date: 8/24/2023
Project: South Selmon Capacity Project
RFP O-0622

**This Amended Notice of Intended Decision rescinds the
Notice of Intended Decision issued on August 18, 2023.**

On August 18th, 2023, price proposals from the two (2) Proposers for the above-referenced Project were timely received.

The Tampa-Hillsborough County Expressway Authority staff recommends that the Authority Board reject all bids submitted in response to RFP O-0622, as all bids were substantially over the designer's estimate and the Authority's budget for the Project, and concurrently provide notice of the Authority's intent to reissue the competitive solicitation.

The cone of silence remains in place for this Project.

Pursuant to section 1193.071(1)(b), *Florida Statutes*, all proposals received in response to RFP O-0622 shall remain exempt from section 1193.071(1), *Florida Statutes*, and s. 24(a), Art. I of the State Constitution until such time as the Authority provides notice of an intended decision concerning the reissued competitive solicitation or until the Authority withdraws the reissued competitive solicitation.

All notices are posted on the Authority's website (www.tampa-xway.com) and on the DemandStar system. For questions regarding this notice, please contact the Authority's Procurement Office, Procurement@tampa-xway.com.
