The Authority is in the process of obtaining an independent cost estimate and/or a cost analysis for the Project, consistent with the Board's notice of its intent to reissue the competitive solicitation.

Proposers, lobbyists, and the public are reminded that the cone of silence remains in place for this Project. Any communication directly or indirectly to seek to encourage any specific result in connection with an Authority selection process or this Procurement, including but not limited to, written communications, any and all forms of electronic communications or messaging, including social media, oral communications either in person or by telephone, initiated by a Proposer or through a lobbyist, agent, or third person, to any Authority employee and/or Committee/Board member who is a member of any committee constituted for the purposes of ranking submissions, making recommendations or making an award, is prohibited from the time that the procurement is released to the time that the award is made or the procurement is officially cancelled.

related thereto for the purpose of obtaining additional information that is relevant to the Solicitation.
