EXHIBIT A

I. INTRODUCTION

The Tampa-Hillsborough County Expressway Authority (THEA) is soliciting sealed bids from qualified firms to provide all the permits, labor, equipment, materials, tools, transportation, supplies, insurance, incidentals, mobilization, demobilization and maintenance of traffic necessary to replace the existing roof, including all penetrations, flashings, trim. boots, seals and gaskets, and roof access hatch, for the Tampa-Hillsborough County Expressway Authority Headquarters/Traffic Management Center (TMC) located at 1104 E. Twiggs Street, Tampa, FL 33602.

II. EXISTING ROOF CONDITIONS

The existing roof composition appears to be the original multiple-ply, modified bitumen membrane roofing system, and is consistent with the record drawings dated 06/21/04. It is comprised of a built-up bitumen membrane roofing over a ½” Perlite protection board, over R-20 Polyisocyanurate rigid insulation board, on a galvanized metal roof deck. The roof pitch is achieved by a combination of tapered insulation and sloped roof decks. Existing roofing surface is ¼” per foot.

The main roof is approximately 7,830 SF. Drainage is accommodated by two roof drains, each with an adjacent overflow drain.

The secondary roof over the atrium area is approximately 1,886 SF. Drainage is accommodated by one roof drain with an adjacent overflow drain.

The lower roof level over the ground floor storage room is approximately 339 SF and is drained by two overflow scuppers on the north parapet wall.

Existing traffic pads from the roof hatch and to and around the existing equipment are deteriorated.

There are several low spots on the roof that collect water and equipment condensate drains that require maintenance to drain properly.

The building also has an attached vehicle parking canopy located on the north and west sides of the building which are not a part of this roof membrane replacement project.

III. SCOPE OF WORK

1. DESCRIPTION

1.01 This section provides a general summary or overview of the work to be performed in the Invitation to Bid (ITB) No. O-0624. In performing the work, the contract documents, shall be adhered to. This project is to be let as a lump sum.

INSURANCE REQUIREMENTS, COVERAGES and LIMITS
for
Tampa-Hillsborough County Expressway Authority

Consultants, Contractors and Vendors, hereinafter referred to collectively and individually as “Insured” conducting business with the Tampa-Hillsborough County Expressway, “THEA” are required to maintain adequate insurance coverage and provide insurance certification to THEA.

A. INSURANCE REQUIREMENTS:

1) All insurance shall be from responsible insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better. Utilization of non-rated companies or companies with AM Best ratings lower than A- or a financial size category lower than VII may be approved on a case by case basis. If the insurer does not meet these requirements, THEA retains the right to approve or disapprove the use of the insurer.

2) INSURED’S liability policies, other than the Workers' Compensation and Professional Liability, shall provide that THEA, its officials, officers and employees are additional named insureds as to the operations of the INSURED under this AGREEMENT.

3) INSURED’S liability policies, other than the Workers' Compensation and Professional Liability, shall provide the “Severability of Interest” provision (a/k/a "Separation of Insureds” provision).

4) The INSURED’S Certificate of Insurance(s) shall provide THEA as an additional certificate holder for all policies issued.

5) The INSURED’S Certificate of Insurance(s) shall state the description of the operations, i.e., “Name of Agreement” between THEA and “Name of Insured” and shall state the Contract Number assigned for the AGREEMENT between THEA and the INSURED.

6) The INSURED shall deliver to THEA, within ten (10) days from the receipt of a Notice of Award of this AGREEMENT, properly executed Certificate(s) of Insurance on insurance industry standard certificate of insurance form(s) (example: ACORD form) setting forth the insurance coverages and limits required herein. All of the required insurance coverages shall be issued as required by law and shall be endorsed, where necessary, to comply with the minimum requirements contained herein.

7) Except as otherwise specified in the AGREEMENT, the insurance will commence on or prior to the effective date of the AGREEMENT and will be maintained in force throughout the duration of the AGREEMENT. Three years’ completed operations coverage may be required to be maintained on specific commercial general liability policies and/or professional liability policies effective on the date of substantial completion or the termination of the AGREEMENT, whichever is earlier.

8) Aggregate Policy Limits on policies required of INSURED shall apply exclusively for this AGREEMENT.

9) INSURED authorizes THEA to verify its insurance information with its insurance agents, brokers, surety, and insurance carriers. At THEA’S request, INSURED shall provide copies of the policies at no cost to THEA, subject to redaction by the INSURED of any proprietary information.

10) All insurance coverages of the INSURED shall be primary to any insurance or self-insurance programs carried by THEA; and any THEA insurance or coverages shall not be contributory to INSURED'S insurance requirements in this AGREEMENT.
11) The insurance coverages and limits required of the INSURED under this AGREEMENT are designed to meet the minimum requirements of THEA. They are not designed as a recommended insurance program for the INSURED. The INSURED alone shall be responsible for the sufficiency of its own insurance program.

12) All policies of insurance required herein will be specifically endorsed to require the insurer provide THEA with thirty (30) days notice prior to any cancellation, intent not to renew any policy and/or any change that will reduce the insurance coverages required in this AGREEMENT, except for the application of the Aggregate Limits Provisions. The endorsement will specify that such notice will be sent to:

   Tampa-Hillsborough County Expressway, (THEA)  
   Contracts & Procurement Manager  
   1104 East Twiggs St, Suite 300  
   Tampa, FL  33602

13) THEA accepts no responsibility for determining whether the INSURED’S insurance is in full compliance with the insurance required by the AGREEMENT. Neither the approval by THEA nor the failure to disapprove the insurance furnished by the INSURED will relieve the INSURED of their full responsibility to provide the insurance required by this AGREEMENT.

14) If the INSURED fails to provide or maintain the insurance coverages required in this AGREEMENT, THEA may terminate or suspend this AGREEMENT, or, at the THEA’S sole discretion, may obtain such coverages and invoice the INSURED and include a 15% administrative cost. If not paid within 45 days, the amount will be deducted from INSURED’S invoice. The decision of THEA to purchase such insurance coverages shall in no way be construed as a waiver of its rights under this AGREEMENT.

15) INSURED shall fully comply with the insurance requirements of this AGREEMENT unless excused in writing by THEA. Any deductible applicable to any claim shall be the responsibility of the INSURED.

16) Any liability insurance aggregate limits are to be confirmed in writing by the respective insurance company that to their knowledge, as of the date of the AGREEMENT, there are no pending claims or legal actions against the INSURED, which if resolved in favor of the claimant would impair the insurance company’s ability to cover the minimum insurance limits stated herein.

17) Current Insurance Service Office (ISO) policies, forms, and endorsements or broader shall be used where applicable. Notwithstanding the foregoing, the wording of all policies, forms, and endorsements must be acceptable to THEA without restrictive endorsement.

18) The INSURED will not commence work, use or occupy THEA premises in connection with the AGREEMENT until the required insurance is in force, preliminary evidence of insurance acceptable to THEA has been provided to THEA and THEA has granted permission to the INSURED to commence work or use or occupy the premises in connection with the AGREEMENT.

19) Upon request, the INSURED shall promptly make available a certified, true and exact copy of the insurance policy and endorsements issued to the policy and any renewal thereof for THEA’S review and inspection. In the event of cancellation or non-renewal of this insurance, the INSURED agrees to purchase the maximum "extended claims reporting period" permitted under the policy within the time allowed, unless replacement coverage is obtained with retroactive coverage applicable as of the date the INSURED services started under this AGREEMENT.

20) All insurance minimum coverage limits extend to any subcontractor and the Prime INSURED is responsible for all subcontractors.
