1. Please confirm where availability information (including recent, current, and projected workload) should be included, as Section 5 limits Key Personnel resumes to one page but does not specify a page allocation for availability.

Answer:

Availability information shall be included within the respective one-page resume.

2. Question 1: RFQ page 21 references Attachment A_002.10 –Insurance Requirements, Coverages, and Limits. Would THEA please verify that the actual Attachment is A_002.09 --INSURANCE REQUIREMENTS, COVERAGES, and LIMITS and there is not an additional Attachment A_002.10?

Answer:

The insurance requirements for this project are provided in Attachment A_002.09 - Insurance Requirements Coverages and Limits. The reference on page 21 should refer to A_002.09.

3. Would THEA please verify which forms are to be completed for the ELOR stage as several forms appear to be completed at a later stage in the procurement process—i.e. A_00X.01 – Contract Final, A_00X.03-SBE Commitment Form—to be submitted with Price Proposal, etc.

Answer:

The following forms shall be submitted with the ELOR:

Form A_00X.02 – Certificate of Insurance (Sample Form)

Form A_00X.03 – SBE Commitment Form; proposers shall ignore the price proposal reference and submit the form for the Planning Phase scope of work, which is the scope authorized at time of contract execution.

Form A_00X.05 – Declaration of Joint Venture Form; if applicable to the proposer

Form A_00X.08 – Sworn Statement on Public Entity Crimes Form
